CROW CREEK SANITARY SEWER REPAIR AND CROW CREEK STABILIZATION

Vegetation is starting to grow on the bare soil that is adjacent to the sanitary sewer crossing of the Crow Creek Tributary. MSA suggests that the City continue to wait before preparing final payment and closing out this project.

NPDES PERMIT ADMINISTRATION

MSA has completed an inventory all the storm inlets and manholes along Scott College Road. MSA has completed the annual inspections of the detention basins and storm water discharge points that are located within the City of Riverdale.

WELCH FARM SUBDIVISION ENGINEERING REIEW

The Storm Water Pollution Prevention Plan (SWPPP), prepared by j+m civil design, has been approved. An approved SWPPP was required before grading operations could commence for this project. Based on the MSA observation of on-site equipment, it appears that grading operations for this project has begun. Before the Council meeting MSA will have inspected the project site. MSA will share their findings at the Council meeting.

PLEASANT VALLEY HIGH SCHOOL PARKING LOT CONSTRUCTION

The Mayor has scheduled a meeting with District Superintendent Spelhaug and his designees for Thursday, August 2, at 10:00 AM.

Bush Construction has provided a proposed schedule to regrade the detention basin that was constructed as part of the 2017 parking lot project.

PROJECT UPDATE

IMEG has provided a redesign of the proposed detention basin for the new south campus parking lot. This redesign does not require a variance from City Ordinances. MSA will monitor the ongoing construction of this basin.

MSA has provided IMEG with a prioritized list to address ongoing erosion and sediment control concerns. MSA will submit their most recent field observations at the Council meeting.

28E AGREEMENT

MSA is working on obtaining costs to televise sanitary sewer from the City of Bettendorf. MSA will prepare budget alternatives for a 2018 Infiltration and Inflow (I & I) investigation for a portion of the City's sanitary sewer system.

GENERAL ENGINEERING SERVICES

The Pleasant Valley School District work is being performed under our General Services Agreement.

MISCELLANEOUS

Nothing new to report on the following:

- Arconic TIF
- City of Riverdale Hazardous Weather Warning Siren
- Storm water Utility
- Capital Improvements Program
- Quiet Zone Evaluation
- Valley Drive Drainage
