**DATE: JULY 10, 2018**

**CROW CREEK SANITARY SEWER REPAIR AND CROW CREEK STABILIZATION**

McClintock Trucking and Excavating has completed the construction of this project. It has been one month since McClintock completed construction. Vegetation is starting to grow on the bare soil. MSA suggests that the City wait one more month before preparing final payment and closing out this project.

**NPDES PERMIT ADMINISTRATION**

MSA has completed an inventory all the storm inlets and manholes along Scott College Road.

MSA has begun to perform the annual inspections of the detention basins and storm discharge points that are located within the City of Riverdale.

MSA confirmed with City of Bettendorf that the City of Riverdale utilized 50.3 tons of salt this past year.

**WELCH FARM SUBDIVISION ENGINEERING REIEW**

MSA has distributed their review comments for the submitted Storm Water Pollution Prevention Plan (SWPPP). Those comments were distributed on June 21. As of the writing of this Project Update, MSA has not yet received a SWPPP with modifications.

More comments can be provided at the Council Meeting.

## PROJECT UPDATE

---

### PLEASANT VALLEY HIGH SCHOOL PARKING LOT CONSTRUCTION

The stabilization of the erosion issues on the Pleasant Valley High School campus from the 2017 Project are an ongoing issue. However, the School District is working on addressing concerns.

Construction has begun on the South Campus Parking Lot. MSA has reviewed the plans and analyses and recommends the City finds them acceptable. Acceptance will require variance of one of the City's Ordinances that require a Rational Method C value. MSA will explain in greater detail at the Council Meeting.

### 28E AGREEMENT

All communities that contribute wastewater to the Davenport plant are being asked to perform inflow and infiltration investigations to reduce non-sewage flows. MSA is working with the City Administrator to prepare a plan and associated budget for this effort.

### GENERAL ENGINEERING SERVICES

The Pleasant Valley School District work is being performed under our General Services Agreement.

### MISCELLANEOUS

Nothing new to report on the following:

- Arconic TIF
- City of Riverdale Hazardous Weather Warning Siren
- Storm water Utility
- Capital Improvements Program
- Quiet Zone Evaluation
- Valley Drive Drainage
- Bellingham Road
