**CROW CREEK SANITARY SEWER REPAIR AND CROW CREEK STABILIZATION**

Vegetation continues to grow on the disturbed soil that is adjacent to the sanitary sewer crossing of the Crow Creek Tributary. MSA suggests the City wait before preparing final payment and closing out this project.

WELCH FARM SUBDIVISION ENGINEERING REVIEW

Phase 2 of the Storm Water Pollution Prevention Plan (SWPPP), prepared by j+m civil design, was reviewed by MSA and found acceptable. MSA has met with the site SWPPP coordinator. MSA offered suggestions to assist with site compliance to the NPDES Permit. MSA will inspect the project site again prior to this Council meeting. The Mayor was part of this site visit.

PLEASANT VALLEY HIGH SCHOOL PARKING LOT CONSTRUCTION

MSA, along with the Mayor, was involved in a meeting with the Pleasant Valley High School Superintendent and the School District's Engineer.

The detention basin that was constructed as part of the 2017 parking lot project has been regraded. MSA will submit their findings at this City Council meeting.

Reconstruction of the South Campus Parking Lot detention basin has started. MSA will inspect this site prior to this City Council meeting and will submit their findings.

28E AGREEMENT

MSA has prepared budget alternatives for a 2018 Infiltration and Inflow (I & I) investigation for a portion of the City's sanitary sewer system. These were submitted to the City Administrator for his consideration.

PROJECT UPDATE

NPDES PERMIT ADMINISTRATION

At this time, there is no ongoing work for this project. MSA will prepare the annual report. The annual report is due in September.
