

The City of Riverdale, Iowa **PROCLAMATION**

Whereas Over the weekend of September 9-10, 2018, four firefighters from the Riverdale Fire Department squared off in a state-wide competition between firefighters from across Iowa as part of the Iowa Firefighters' Association's annual conference; and

Whereas Despite the odds and conditions (including rain and mud turning the 40-acre site into a boggy swamp), the team from Riverdale persevered; and

Whereas The "Water Warriors" bested the field to take first place in the Water Application Drill competition; and

Whereas Their victory in this competition propelled Riverdale into a tie for fifth overall among all of the departments participating in the IFA's conference; then

Therefore be it resolved that I, Michael Bawden, Mayor of the City of Riverdale, do this day congratulate Riverdale Firefighters:

Bruce Bowers
Randy Bowers
Phillip Bowers and
Adrian Castillo

for their hard work, dedication, teamwork and leadership example set by winning their state championship and making their City proud.

IN WITNESS WHEREOF,

Michael Bawden, Mayor
City of Riverdale
